

## Fishing at South Farm Holiday Cottages Fishery

***Please dip nets and mats in disinfectant before fishing.***

### 1 Look after my Fish....

**Barbless hooks only**

**Maximum 2 rods per fisherman** each must have suitable break-a-way tackle, **unhooking mat, landing net & disgorgers** at all times

**Keep nets** NOT allowed on any Lakes without prior permission

**Return** all fish to the water as quickly and carefully as possible.

### 2 Respect other fishermen....

**Children** must be closely supervised these lakes are up-to 2 meters deep.

**Max fishermen** 10 on Home Lake and 20 on Upper/Lower Ram

**Please** fish from pegs, (strimmed access points)

**Please** let us know of exceptional catches or record it in the book in office entrance

**Should** you have a visitor there is a charge of £7 per angler per day. (we require notice of this)

### 3 Respect the environment....

**Remove** all line from lakes and lakeside.

**Remove** any rubbish and smokers please refrain from flicking butts into the lakes (our fish are all non-smokers) respect your environment.

**Baits** we **discourage** fishermen from using, peanuts NO tiger nuts and large amounts ground bait, **NO** ground baiting with Boilies. Some of the best baits are sweet corn, bread, luncheon meat, worms, maggots and cat/dog biscuits/food worked well.

**The** owners will not be liable to any visitor for any personal injury, loss or damage to any property including motor vehicles, personal effects or any luggage however caused or sustained.

***South Farm assumes anglers hold a current fishing rod licence***
